This class showcases mix and purebreds groomed as another breed

We are excited to offer this brand new class to groomer's wishing to step out of their comfort zone.

This class is an ultimate test to groom a breed standard trim on a dog that is not that breed.

Stylists are welcome to work their magic and turn a Maltese cross into a schnauzer, a poodle into a bedlington terrier, a labradoodle into a lagotto and the list goes on!

Groomers are permitted to use pet friendly coloured chinks, blow pens or airbrushing techniques to highlight their chosen breed transformation.

Coats are not to be pre dyed, changes must happen during contest timing.
